

# **EAST MIDLANDS MICROSCOPY** **MEETING**

**SATURDAY 12<sup>th</sup> April**

**Lockington Village Hall Hemington Lane,  
Lockington, Derbyshire DE74 2RJ**

**Join Terry Hope for an all-day gossip meeting loosely  
themed on freshwater organisms with an opportunity to  
dip for the exotic creatures living in Terry's pond**

**Starting at 10 AM and finishing about 4.30 PM, the format will be a  
Gossip and "Bring & Buy" meeting and displays will be very welcome.  
(Please contact Terry to organise any space you need)**

**This is the second Keith Brocklehurst memorial meeting and some of  
his fine slides will be on display**

**The emphasis will be on 'pond-life'; however all other aspects of  
microscopy are most welcome.**

**The meeting is a Quekett Microscopical Club regional meeting, so it will  
be free to all attendees, the only charge will be for tea, coffee and light  
refreshments.**

**There is a local pub serving lunch very near the hall and you may if you  
wish bring your own packed lunch.**

**Further information can be obtained by e-mailing Terry Hope at  
[terencehope@btinternet.com](mailto:terencehope@btinternet.com)**

**The Village of Lockington is easy to reach via the A50 or the M1**

**Exit at junction 24; M1 and follow the signs for Castle Donnington**
